

MARCH 29TH – 31ST PHILLY MISSION TRIP

Spend a weekend sharing God’s love in Philadelphia.

There are over 4,000 homeless people in the city of Philadelphia. About 300-500 will sleep outside on any given night. This is related to high unemployment rates, which at the height of the recession in 2008 hit over 15%. This is also related to the poor school system in Philadelphia, where about 40% of students do not graduate. You can make a difference.

I give permission for my child to attend the Philadelphia Mission Trip with First Reformed Church of Pompton Plains, NJ. March 29th to 31st.
